Transferability	[How transferable is your Best Practice to other regions/countries? How scalable is your Best Practice?]

Location: Villadosia

- Inhabitants: 950

- Coordinates: 45°45′05″N 8°43′41″E

- Municipality: Casale Litta

- Province: Varese

- Region: Lombardia

- Geographical area: North of Italy, Lake District

- Reference: 60km NW of Milan, 16k N of Malpensa Airport

The activity will be hosted by the rehabilitation community «**Cascina Castellazzo**», managed by 4Exodus.

How to reach the venue: airports

- **MILANO MALPENSA**: **the best solution for position**, you will be directly pickup by one of the member of 4Exodus Team.

- **MILANO LINATE:** the main airport of Milan, close city center and connected with the Metro/bus.

- **MILANO ORIO AL SERIO - Milan-Bergamo**: about 45 minutes by bus from Milan (Centrale train station), flight to here are often the cheapest.

How to reach the venue: transfers

<u>Google maps is synchronised with the different public transport options in Milan</u> and the diverse options available will appear upon your arrival.

- **From Linate Airport**, you can take the <u>Metro</u> to the train stations of <u>Milano Porta Garibaldi or Milano Centrale</u> (line M4 and lines M1/M2).
- **From Milan-Bergamo Airport**, you can take a direct <u>bus to Milano Centrale train station</u>.

Once at the train station (Milano Porta Garibaldi or Milano Centrale) you can take the [Malpensa Express train](#) running every 30 minutes to reach the Malpensa Airport. **Get down at the Malpensa Airport Terminal 1 stop**, to reach the meeting point with the rest of the participants. The 4Exodus staff will transfer you to the venue.

Location: Cascina Castellazzo

- 20 People are hosted by the community

- Adults, male, with drug, alcohol and gambling addiction problems, and an alternative measure to prison

- The multidisciplinary team works in favour of the enhancement of the person and their relationships, also with pathways aimed at parenting.

- The core element of the educational intervention is to offer work experience.

- The aim is to guarantee a new lifestyle geared towards complete autonomy.
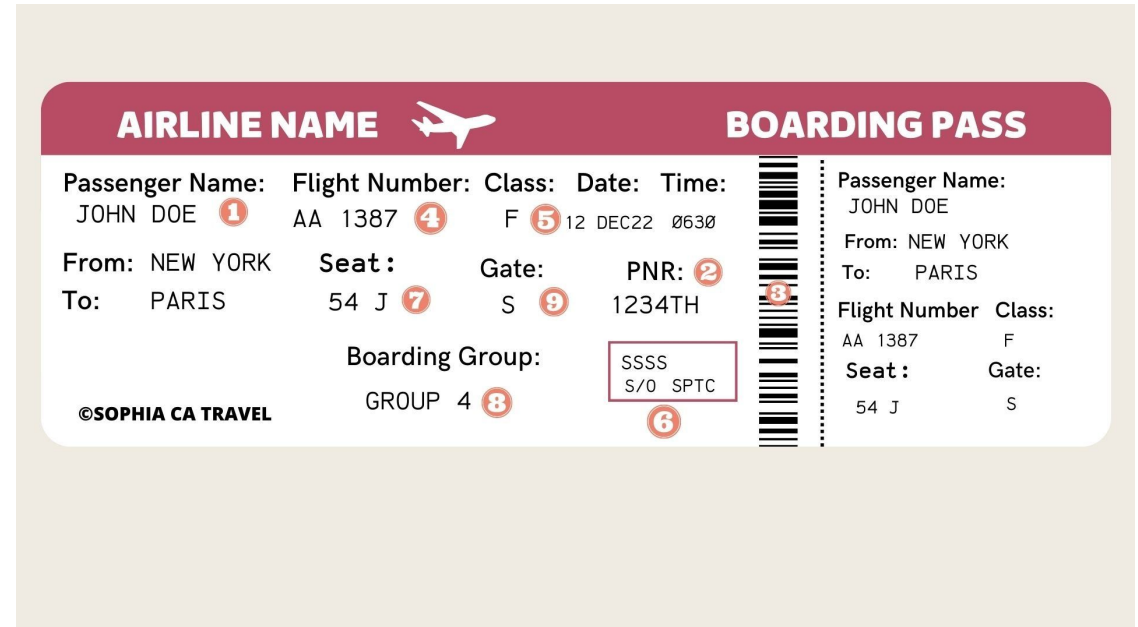

Covered costs and reimbursement

The project will cover all the direct cost related to its activities, like for example:

- TRAVEL (flights, local transport to and from the airport)
- ROOM AND BOARD for the days of activity
- PROJECT ACTIVITIES (training sessions, facilitation, debates, outdoor activities)

NOTE:

- To complete the reimbursement procedure, you must provide us with the ORIGINAL invoices and boarding passes (for flights and some trains)
- Better to avoid expensive solutions like business class tickets, taxi (car pooling allowed) or expensive hotel/restaurants
